THE MOTORCRAFT AND OMNICRAFT BATTERY WARRANTY

Your rights under the Australian Consumer Law*

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality, and the failure does not amount to a major failure.

* This is a notice which must be provided to consumers under the Australian Consumer Law.

The Motorcraft/Omnecraft Battery Warranty – Warranty Statement

This warranty applies to each new Motorcraft or Omnicraft Battery purchased from an Authorised Ford Dealer at retail or fitted to a vehicle during a service by an Authorised Ford Dealer. For the Motorcraft/Omnecraft Battery Warranty Period, Ford will REPAIR OR REPLACE FREE OF CHARGE, any such battery found to be unusable or unserviceable due to defects in material, manufacturer's faults or workmanship under normal use and operation, provided that the battery:

- i) was correctly installed in, affixed or attached to the product for which application, the battery was designed and sold;
- ii) has not been altered, modified or repaired outside a location designated or approved by Ford (or a supplier nominated by Ford), in a way which adversely affects the performance, durability, stability, reliability, or safety of that battery;
- iii) has been properly used and operated within the capacity and operating limitations as specified by Ford or the manufacturer of the battery;
- iv) has been properly maintained, charged and cared for; and
- v) is returned to an Authorised Ford Dealer, transportation charges prepaid.

This Motorcraft and Omnicraft Battery Warranty covers the battery categories listed above subject to the batteries being sized properly and used in the application for which they are intended and charged with approved manufacturers' charging & testing guidelines, which are set out at the following location: <https://www.fordtradeclub.com.au/parts/warranty>

Warranty claims must have dated proof of purchase in the form of a copy of tax invoice with the return of battery in question. The costs of delivering the battery to the warranty location and collecting it and any replacement are yours. The claim must be made within the warranty period listed above. The warranty period for a replacement battery starts on the date of purchase of the defective battery it replaces.

Without limiting the warranty conditions above, Ford has no obligation under this warranty with respect to any defects or damage to the battery arising from any abuse or mishandling of the battery, or from any one or more of the following:

- i) normal wear and tear;
- ii) physical damage caused by you;
- iii) sulphation;
- iv) your negligence (before or during use);
- v) overcharging or undercharging;
- vi) faulty vehicle charging system;
- vii) failure to maintain acid levels (for conventional type batteries);
- viii) overfilling or incorrect filling (for conventional types);
- ix) where markings have been tampered with;
- x) broken or removed vent plugs;
- xi) installing a vehicle battery that has lower capacity than is specified on the vehicle battery;
- xii) storing the battery for a long period of time without maintenance and charging;
- xiii) faulty connections, faulty wiring or improper mounting by someone other than an Authorised Ford Dealer;
- xiv) fitting an incorrect or under-specified battery type to a vehicle;
- xv) repeated deep discharge;
- xvi) prolonged storing of the battery with minimal use (batteries will generally sulphate and will not recover their full state of charge);
- xvii) electrical faults (short, excessive loads);
- xviii) modifying the battery (including, but not limited to, acid additives, lead terminal changes or any other contaminants);
- xix) damage caused by you;
- xx) discharged batteries or diminishing capacity due to age and depth of charge;
- xxi) a flat battery;
- xxii) spillage from over filling;
- xxiii) using batteries for motorsport or racing activities.

Please be aware that batteries must be fully charged for testing, if charging is required, a charging fee may apply.

Ford will not be liable any loss or damages of any other kind, whether direct, incidental, consequential including lost profits, exemplary, special or otherwise, including any lost profits or removal, shipping, or installation expenses arising from or relating in any way to the purchase, defect, existence or use of the Battery.

The Motorcraft and Omnicraft Battery Warranty is in addition to other rights and remedies conferred on consumers under any applicable Commonwealth, State or Territorial Statutory Enactment.
