

Oil you need to know.

Introducing our new range of premium engine oils

Available from your local Ford Trade Club Dealer

Premium engine oils that do more than make the grade

Omnecraft introduces a new range of premium engine oils, suitable for most makes and models, new and old. Quality parts you can trust. Available from Ford Trade Club.

High specification

A comprehensive range formulated to offer the high-specification protection and performance that the vehicle engines of today demand – a range that meets and exceeds numerous specifications and approvals including American Petroleum Institute (API).

The right oil. The right size.

Six grades of oil in 5L, 20L and 208L containers – we’ve got the protection of vehicle engines covered.

Titanium

5W-30 full synthetic high-performance engine oils to the latest specifications designed to provide excellent high-temperature protection for vehicles of all ages.

Performance

5W-30 and 10W-40 premium semi-synthetic engine oils designed to provide an excellent level of protection and performance.

Premium

10W-30 and 15W-40 premium mineral engine oils designed to provide a high level of performance and protection under most operating conditions.

		Available sizes		
Omnecraft Titanium D1	5W-30	5L	20L	208L

Omnicraft[™] oil

Grades and specifications

TITANIUM D1 5W-30

Full Synthetic

A full synthetic high-performance engine oil, which provides excellent high temperature protection even under severe operating conditions.

The oil is designed to help provide long engine life and outstanding protection in vehicles of all ages, outperforming our conventional synthetic blended products.

It provides outstanding protection against sludge, engine rust and corrosion under severe and low-temperature operating conditions and provides optimum viscosity and fluidity across a broad range of temperatures.

Specifications and Approvals

Omnicraft Titanium D1 5W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5.

TITANIUM C3 SAE 5W-30

Full Synthetic

A low ash, full-synthetic engine oil, designed to help prolong the life of the vehicle's Exhaust Emission Reduction Systems in both diesel and petrol vehicles.

Omnicraft Titanium C3 SAE 5W-30 Engine Oil is recommended for use in:

- Petrol or diesel engines with Diesel Particulate Filters (DPF) or Catalytic Convertors
- Normal to severe operating conditions including city driving conditions

Specifications and Approvals

Omnicraft Titanium C3 SAE 5W-30 Engine Oil is recommended for use in applications requiring ACEA C2. Product meets or exceeds the requirements of: ACEA C3, API SN, API SN PLUS, API SP.

PERFORMANCE 5W-30

Semi-synthetic

An enhanced premium semi-synthetic engine oil, designed to provide an excellent level of protection and performance.

Industry proven so you can trust you will get the performance you want from your vehicle. It contains a low-friction semi-synthetic formulation which increases engine efficiency and offers greater fuel economy.

- Excellent wear protection
- Excellent engine cleanliness
- Excellent high temperature protection
- Excellent fuel economy

Specifications and Approvals

Omicraft Performance 5W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5.

PERFORMANCE 10W-40

Semi-synthetic

An enhanced premium semi-synthetic engine oil, designed to provide an excellent level of protection and performance.

Industry proven so you can trust you will get the performance you want from your vehicle.

- Excellent wear protection
- Excellent engine cleanliness
- Excellent high temperature protection

Specifications and Approvals

Omicraft Performance 10W-40 meets or exceeds the requirements of: API SN, ACEA A3/B3.

PREMIUM 10W-30

Mineral

A premium quality mineral engine oil designed to provide a high level of performance and protection under most operating conditions.

Meticulously engineered for today's tougher engine specifications. It provides very good engine protection and extends engine life.

- Excellent wear protection
- Excellent engine cleanliness

Specifications and Approvals

Omicraft Premium 10W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5.

PREMIUM 15W-40

Mineral

A premium quality mineral engine oil designed to provide a high level of performance and protection under most operating conditions.

Industry proven so you can trust you will get the performance you want from your vehicle.

- Good wear protection
- Good engine cleanliness
- Good high temperature protection

Specifications and Approvals

Omicraft Premium 15W-40 meets or exceeds the requirements of: API SN, ACEA A3/B3.
